House Rules

You must be at least 18 years of age to be in the hall. Alcohol is not allowed on the premises. No tobacco products (includes vaping) may be used in the building. We reserve the right to ask anyone to leave due to vulgarity or unacceptable behavior.

A ball in the caller's hand or on the monitor screen is not official until it has been called.

You must purchase either a small or large package to play, no exceptions if you come in late. No Splitting packages

Once caller rules the game closed NO other bingo's will be honored. We do not require a bingo to be on the last number called.

Ink daubers or pen must be used on all paper cards, and **ALL** numbers must be easily read for validation.

Lucky Number can be won on any traditional bingo game we play. Fireball/Mega Fireball can be won on any bingo played on 6 on bingo sheets.

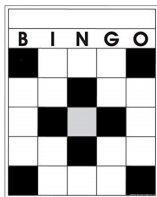

We reserve the right to cancel bingo or adjust prizes due to inclement weather, attendance, or state maximum payout without notice. Pay-outs are based on attendance at the beginning of early birds and the regular session.

There will be a \$50.00 charge for each NSF/returned check. Player will not be permitted to play bingo until NSF/Returned checks and fees are reimbursed to us.

Federal and state laws require that we maintain various records. A photo ID, drivers' license and social security number may be needed, depending on the type of game and amount of winnings. Failure to provide this documentation will result in withholding or forfeiture of prize money.

Our players are very important to us and so are our volunteers. Please treat our volunteers with respect.
